**Sonheong Jang (Republic of Korea, [sonheong.jang@undp.org](mailto:sonheong.jang@undp.org) )**

Ms. Sonheong Jang is a Policy Analyst at UNDP Seoul Policy Centre. She joined UNDP in 2017. She works with governments, CSOs, UNDP Country Offices for the implementation of gender programmes relating to the establishment of comprehensive support mechanism for survivors of gender-based violence and enhancing access to justice for survivors.

Before joining UNDP, she worked as an Associate Legal Expert at UN Commission on International Trade Law, Office of Legal Affairs of the UN Secretariat.

**Louisa Gilbert (Columbia University, USA, [lq123@columbia.edu](mailto:lq123@columbia.edu) )**

Dr. Louisa Gilbert is a licensed social worker with over 25 years of experience developing, implementing, evaluating and disseminating multilevel interventions to address gender-based violence (GBV), HIV/AIDS, substance misuse, opioid overdose, and trauma among key affected communities. Her research has advanced evidence-based computerized GBV prevention models that have been integrated into a continuum of HIV prevention, testing, and treatment interventions. She has served as the co-director of the Social Intervention Group (SIG) since 1999 and co-founder and co-director of the Global Health Research Center of Central Asia (GHRCCA) since 2007.

**Tolkun Tiulekova (Kyrgyzstan, [wrc.chui@mail.ru](mailto:wrc.chui@mail.ru) )** Ms Tolkun Tiulekova is the Executive Director for the Crisis Centers Association of Kyrgyz Republic. Tolkun has 20+ years of experience working with gender-specific agenda. Tolkun is a member of National Council on Women Issues and Gender Development under the Prime Minister of Kyrgyz Republic. She is an expert in working groups under the Ministry of Labor and Social Development and Ministry of Internal Affairs of Kyrgyz Republic.

**Danil Nikitin (Kyrgyzstan, [danilst.nikitin@gmail.com](mailto:danilst.nikitin@gmail.com) )** Since 2007 Danil Nikitin has been representing the Global Health Research Center of Central Asia, and heading the Global Research Institute (GLORI Foundation) since 2011. He earned his Masters in Social Work from Columbia in 2006. Internship with the UJA-Federation, Open Society Institute, and Social Intervention Group at Columbia University contributed a lot to his professional development. Prior to the graduate studies, he worked with Osh Regional Narcological Center as a program administrator. After graduating from Columbia, Danil returned to Kyrgyzstan and as a Director, PI and co-investigator, led intervention research focused on GBV and HIV prevention in drug-using communities.

**Harjyot Khosa (India HIV/AIDS Alliance, [hkhosa@allianceindia.org](mailto:hkhosa@allianceindia.org))** Ms Harjyot Khosa is currently managing technical support components of various programs at India HIV/AIDS Alliance. Harjyot has over a decade of experience of managing programs centered at key populations and core communities in India. She has managed and coordinated dynamically with sex workers, women who use drugs, MSM & transgender, people who use drugs and PLHIV communities to strengthen all aspects of TB and HIV care, support, prevention and mental health programs. Harjyot's aptitude is founded on years of work for/ with the National AIDS Control Organization (NACO) where she found her niche as an advocate for key populations. She holds a doctorate in Psychology and enjoys reading literature in her free time.
